

**ALL-WALES MEETING
2pm SATURDAY 8th NOVEMBER 2025
ARAD GOCH, ABERYSTWYTH SY23 2NN**

Cymru Cuba, the Cuba Solidarity Campaign in Wales, invites you to our all-Wales inaugural meeting in Aberystwyth.

With the Trump administration's tightening of the cruel and illegal US blockade of the socialist island the people of Cuba need our support more than ever.

Please join us in Aberystwyth to help forge a stronger and unified solidarity movement in Wales.

The meeting will be followed by a solidarity evening of films and special guests, including a rare screening of 'Moments With Fidel' an award-winning film and insightful look at the life of the historic Leader of the Revolution as we approach the centenary of his birth.
