THE COMMUNIST PARTY

Nid yw Cyfalafiaeth yn gweithio Capitalism isn't working

Yr unig bethau y gall Cyfalafiaeth eu cynnig i ni nawr yw:

- Bomiau nid swyddi
- Casineb nid cymunedau iach
- Cyni nid buddsoddiad
- Chwalfa hinsawdd nid datblygiad cynaliadwy

The only things Capitalism can offer us now are:

- Bombs not jobs
- Hatred not healthy communities
- Austerity not investment
- Climate breakdown not sustainable development

Y BLAID GOMIWNYYDDOL

THE COMMUNIST PARTY

Nid oes rhaid i bethau fod fel hyn. Gyda'n gilydd gallwn ennill dyfodol sosialaidd, lle mae gweithwyr yn rheoli.

- Ydych chi'n credu mewn cymdeithas decach lle mae grym a golud yn cael eu rhannu, nid yn nwylo'r 1% uchaf?
- Ydych chi'n meddwl dylai gweithwyr gael eu dweud ar benderfyniadau sy'n effeithio ar eu bywydau, eu cymunedau a'u gweithle?
- Ydych chi'n cefnogi perchnogaeth gymdeithasol o wasanaethau craidd fel dwr, ynni a thrafnidiaeth, er budd pobol nid elw?
- Ydych chi am weld diwedd ar dlodi maeth a digartrefedd, gan sicrhau fod gan bawb fwyd ar y bwrdd a tho uwch eu pen?
- Ydych chi'n meddwl y dylai Cymru gael y pwerau a'r adnoddau i lunio ei dyfodol ei hun?
- Ydych chi am weld dyfodol yn seiliedig ar degwch, undod a chyfiawnder?

Yna ymunwch â ni!

It doesn't have to be this way. Together we can win a socialist future, where working people are in control.

- Do you believe in a fairer society where wealth and power are shared, not in the hands of the top 1%?
- Do you think working people should have control over the decisions that affect their lives, communities and workplaces?
- Do you support public ownership of essential services such as water, energy and transport, to serve people not profit?
- Do you want to see an end to food poverty and homelessness, ensuring everyone has food on the table and a roof over their heads?
- Do you think Cymru should have the powers and resources to shape its own future?
- Do you want to see a future built on fairness, solidarity and social justice?

Then join us!

Y Blaid Gomiwnyddol yw plaid Farcsaidd-Leninaidd y dosbarth gweithiol ym Mhrydain. Rydym yn gweithio ac yn ymgyrchu drwy'r undebau llafur ac yn ein cymunedau lleol yn erbyn tlodi, hiliaeth a chamdrin menywod. Rydym yn gweithio i adeiladu ffrynt unedig y dosbarth gweithiol, i herio rheolaeth y dosbarth cyfalafol – o'r senedd i'r strydoedd.

Join the Communist Party for Peace and Socialism

The Communist Party is the Marxist-Leninist Party of the organised working class in Britain. We work and campaign through the trade unions and in our local communities against poverty, racism and misogyny. We work to build a united front of the working class, to challenge capitalist class rule – from parliament to the streets.
